“Avirat Gujarat Mahotsav” aims at spreading awareness at ground level. It will have the theme of Atmanirbhar Bharat– India on the path of Self Reliance. We kindly invite you and your Ministry and allied organizations/departments to showcase initiatives undertaken under your leadership on the above theme. On the above backdrop, I request you to kindly participate in the “Avirat Gujarat Mahotsav”.

It will not only show-case various innovative developments in the fields of Infrastructure, Education, Healthcare, Science and Technology, Information Technology etc. but also help the entrepreneurs of Gujarat to unveil their new products and services at a national level and explore linkages with buyers from emerging and untapped markets.

This Mahotsav wishes to celebrate Gujarat in all its glory. It will display all of Gujarat's culture in the form of various stalls and tableaus displaying handicrafts, arts and craft and the essence of the Gujarat.

It aims to promote the industry friendly environment that has been built up over the years to all the visitors from the nation. A majority of government departments and PSU's will be present here to help the people with registering for schemes, understanding policies and how to make best of the opportunities created by the government.

This Mahotsav is for everyone, from farmers to entrepreneurs, from professionals to housewives, from scientists to students. Like Gujarat welcomes everyone with open arms, this Mahotsav too awaits your participation.

Gujarat

Gujarat is the jewel of western India. Gujarat is a land of contrasts, stretching from the seasonal salt deserts of the Kachchh (Kutch) district in the northwest, across the generally arid and semiarid scrublands of the Kathiawar Peninsula, to the wet, fertile, coastal plains of the south-eastern part of the state, north of Mumbai. Gujarat is coloured with shades of valour, sacrifice, culture and a myriad of emotions.

રામ અહીં બોર ખાધા, અહીં કૃષ્ણએ કર્યો રાજ ગુજરાત ની ના થાય વાત

Patan's Rani Naiki Dev who defeated Ghori so badly that he dared not look at Gujarat again. We come down to the Land of Gaekwads, who supported the Father of Constitution, Dr. BabaSaheb Ambedkar, in a way giving India freedom. Gujarat is the proud land of Mahatama Gandhi. But today our journey leads to the proud District of Kheda. The birthplace of the Iron Man of India, Shri Sardar Vallabh Bhai Patel.

Gujarat is synonymous with development and Gujaratis with entrepreneurship. Gujarat is among the top five Indian states in terms of gross state domestic product (GSDP) at constant prices, accounting for more than 8 percent of India's GDP. The Gujarat development Model is talked about worldwide.
